

Talk it up!

Workshops At Haskins Labs

Please join us for a workshop series dedicated to helping parents develop language skills

Specifically designed for parents & caregivers of children 3 years old and under, these workshops will give you a chance to:

- * connect with other parents
- * exchange ideas & talk about challenges
- * get tips & strategies to promote language growth

Strategies include:

Focusing attention
Building communication
Creating language-friendly playspaces
Techniques for shared book reading

Haskins Laboratories
300 George St., Suite 900
