The Dyslexia Foundation is Sponsoring a Web-Cast Conference

Reading/Literacy, Dyslexia and the Brain

In Celebration of the 25th Anniversary of
The Dyslexia Research Laboratory
at Beth Israel Deaconess Medical Center
Harvard Medical School

Albert M. Galaburda, MD
Conference Director

OCTOBER 24, 2007 LIVE WEB BROADCAST FROM BOSTON
Conference Available 24/7
from October 25, 2007 through February 1, 2008
In celebration of the 25th anniversary of The Dyslexia Research Laboratory at Beth Israel Deaconess Medical Center/Harvard Medical School, The Dyslexia Foundation is sponsoring a web-cast conference.

This web-cast conference is geared toward informing parents, teachers, graduate and undergraduate students on the latest in dyslexia neuroscience research, and to explain and demonstrate the most recent evidence-based reading practices for all children.

The Dyslexia Foundation
4 Narragansett St./PO Box P-22
South Dartmouth, MA 02748
941.807.0499

TO REGISTER FOR THE WEB-CAST CONFERENCE GO TO: TheDyslexiaFoundation.org

The Dyslexia Foundation — Mission Statement
To promote scientific breakthroughs in the early detection, prevention and remediation of dyslexia and related reading difficulties. To disseminate new findings and deploy new evidence-based approaches.
To prevent the suffering caused by reading failure and unlock the full potential of children and adults with dyslexia so that they may contribute to society.
